

Geely Xingyue L AC Air Conditioning Control Module Intelligent Sensing

Our Product Introduction

for more products please visit us on auto-partsspare.com

Basic Information

- Place of Origin: China zhejiang
- Brand Name: GEELY
- Model Number: 8025046900
- Minimum Order Quantity: 1
- Price: RMB+462+PC
- Packaging Details: carton packaging,
- Delivery Time: 20-30Work days
- Payment Terms: MoneyGram
- Supply Ability: 50000+PC+30day

Product Specification

- Product Name: Air Conditioning Control Module
- Color: Black
- Application: Car Air Conditioning And Airbags
- Package: Cartoon
- Quality: Excellent Quality
- Car Make: Geely Xingyue L
- Highlight: Geely Xingyue air conditioning control module, AC air conditioning control module, Geely Xingyue ac control module

Product Description

Geely Xingyue I Air Conditioning Control Module

The air conditioning control module of Geely Xingyue L can be regarded as the intelligent commander of the comfortable environment in the car.

In terms of function, it accurately adjusts the temperature, humidity and wind speed in the car. Whether it is hot summer or cold winter, it can quickly create a pleasant driving space for you.

Technically, advanced intelligent sensing technology is adopted, which can sense the position and body temperature of the personnel in the car in real time, and realize accurate temperature control in the partition. Its intelligent algorithm can quickly respond to your adjustment needs and ensure that comfort is delivered instantly.

In terms of workmanship, it is fine, and every part of the module has been strictly screened and precisely assembled, showing Geely's persistent pursuit of quality.

In terms of quality, it has undergone multiple strict tests and tests, and has excellent stability and durability. Whether in extreme high or low temperature environments, it can operate stably and escort your travel.

It has significant advantages. It is not only easy to operate, but also has a clear and intuitive interface, so that you can easily control comfort; it also has the characteristics of high efficiency and energy saving, which provides a comfortable environment while minimizing energy consumption. In addition, its powerful self-diagnosis function can detect potential problems in time and warn you in advance, so that you can travel without worries.

The air conditioning control module of Geely Xingyue L creates an unparalleled comfortable driving experience for you with excellent performance, exquisite craftsmanship and reliable quality.
