

## Geely Boyue Automobile Car Spare Tire Wheel backup Assembly

### Our Product Introduction

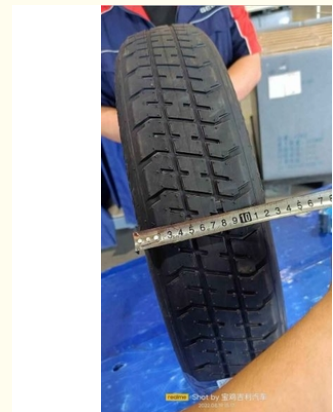

#### Basic Information

- Place of Origin: China zhajiang
- Brand Name: GEELY
- Model Number: 4025004100
- Minimum Order Quantity: 1
- Price: RMB+170+PC
- Packaging Details: carton packaging,
- Delivery Time: 20-30Work days
- Payment Terms: MoneyGram
- Supply Ability: 50000+PC+30day

#### Product Specification

- Product Name: Spare Tire/backup、rebound、bench、plan B
- Type: Auto Engine Parts
- Material: Cast Iron
- Size: Standard Size
- Packing: Request,Neutral Packing
- Quality: High Performance
- Highlight: Geely Boyue car spare tire, Geely car spare tire, Geely Boyue car spare wheel

## Product Description

### Geely Boyue spare tire

Geely Boyue spare tire assembly condenses exquisite craftsmanship and leading technology.

In terms of craftsmanship, every link is exquisitely crafted. From the development of molds to the manufacturing of molding, advanced production processes are adopted to ensure that the size of the spare tire assembly is accurate and perfectly matched with the vehicle.

At the technical level, it integrates the innovative technology of Geely Automobile. The material selection and structural design of tires have been repeatedly researched and tested to adapt to various complex road conditions and operating environments. Strict quality control and follow a high-standard quality management system. Each spare tire assembly has undergone strict testing before leaving the factory, including durability tests, pressure tests, etc., to ensure its reliable quality and long service life.

The workmanship is fine, the surface texture of the tire is clear, the thickness of the tire wall is uniform, and the processing technology of the hub is excellent, without any defects or defects.

Its advantages are obvious, and its compact design saves space in the car without affecting normal use. The high-strength material makes the spare tire have excellent bearing capacity and anti-wear performance.

In terms of function, Geely Boyue spare tire assembly is a solid backing for your travel. When the vehicle encounters a tire emergency, it can be replaced quickly, so that you can continue to move forward and avoid being trapped on the road.

Whether it is a long-distance trip or a daily commute, it provides a reliable guarantee for your trip, so that you can travel without worries.

In a word, Geely Boyue spare tire assembly adds peace of mind and convenience to your driving journey with its excellent technology, advanced technology, reliable quality, fine workmanship, significant advantages and important role
