

Geely Boyue car Air Conditioning Blower fan Precision CNC Manufacturing

Our Product Introduction

for more products please visit us on auto-partsspare.com

Basic Information

- Place of Origin: China zhajiang
- Brand Name: GEELY
- Model Number: 8022004200
- Minimum Order Quantity: 30
- Price: RMB+317+PC
- Packaging Details: carton packaging,
- Delivery Time: 20-30Work days
- Payment Terms: MoneyGram
- Supply Ability: 50000+PC+30day

Product Specification

- Product Name: Air-conditioned Blower/HVAC Blower/air Conditioning Blower Motor
- Color: Black
- Application: Air-conditioned
- Package: Cartoon
- Quality: Excellent Quality
- Car Make: Geely Boyue
- Highlight: **Geely Boyue car air conditioning blower, CNC Manufacturing car air conditioning blower, CNC Manufacturing air conditioner blower fan**

Product Description

Geely Boyue air-conditioned blower

As an important part of the vehicle air conditioning system, Geely Boyue air conditioning blower shows excellent quality and performance in terms of technology, technology, quality, workmanship, advantages and role.

Technology

Geely Boyue air conditioning blower adopts advanced manufacturing technology, and each part has been carefully designed and strictly produced. High-precision molds and automated assembly lines ensure the consistency and stability of products, thus providing users with long-lasting and reliable services.

Technique

1. High-efficiency motor technology

It is equipped with a high-performance motor, which can operate stably at different speeds and provide a strong and uniform wind output.

2. Mute technology

Using advanced noise reduction design, by optimizing the impeller structure and air duct design, it effectively reduces the noise during operation and creates a quiet and comfortable environment for the car.

Mass

1. Strict quality control system

From the screening of raw materials to the testing of finished products, Geely Boyue air-conditioned blowers have undergone strict quality control. Ensure that each blower meets high-standard quality requirements and can work normally under various complex environmental conditions.

2. Durable material selection

High-quality metals and engineering plastics are selected, which have good wear resistance, corrosion resistance and high temperature resistance, which prolongs the service life of the blower.

Do manual work

1. Fine assembly process

The installation of each component is accurate and tightly connected, ensuring the stability and reliability of the blower at high speed.

2. Exquisite appearance

The surface has been finely polished and painted, which is not only beautiful and elegant, but also can effectively prevent rust and corrosion.

Advantage

1. Fast cooling/heating

Powerful wind output can quickly transport cold or hot air to all corners of the car, greatly reducing the response time of the air conditioning system and allowing you to quickly enjoy a comfortable temperature.

2. Energy-saving and efficient

Advanced motor technology and optimized air duct design make the blower consume less energy when working and improve the energy utilization efficiency of the vehicle.

3. Strong adaptability

It can adapt to different operating voltages and ambient temperatures, and can operate stably in hot summer and cold winter.

Effect

1. Air circulation

Promote the circulation of air in the car, ensure that the air in the car is fresh, and provide passengers with a good breathing environment.

2. Temperature regulation

By evenly distributing the treated cold/hot air into the car, the temperature in the car can be accurately adjusted to meet the comfort needs of passengers.

In a word, Geely Boyue air conditioning blower brings a comfortable, quiet and healthy driving experience to every driver and

passenger with its exquisite technology, advanced technology, excellent quality, fine workmanship, significant advantages and important role.

product name	air-conditioned blower/HVAC blower/air conditioning blower motor
color	black
application	air-conditioned
package	cartoon
quality	excellent quality
car make	Geely Boyue
